

Youth Volunteer Opportunities

Volunteers are critical to every aspect of our operation, providing 2,000 hours of collective time every month. We value the energy and excitement that youth bring to this program and look forward to welcoming all who are interested in volunteering.

For kids below the age of 18, this is our criteria:

11 Years old and younger

Minors under the age of 12 are welcome to volunteer at any Beyond Hunger location and must be accompanied by a parent or adult guardian. An adult/guardian must sign up to volunteer on our volunteer portal and watch a prerecorded volunteer orientation session. Only adults will receive an account from which shifts can be selected.

12-13 Years Old

Youth ages of 12-13 can sign up to volunteer on our website and volunteer must volunteer with a parent or guardian for their first shift and then independently if they choose. After creating a Golden account, a Parent or Guardian must watch the prerecorded orientation with the child. Parents are obligated to email the volunteer team (volunteer@gobeyondhunger.org) to inform them of their child's first shift and if they will come independently afterwards. The parent or guardian will need to sign the volunteer waiver on behalf of their child.

14-17 Years Old

Minors aged 14 - 17 are eligible to volunteer for all shifts without a parent or guardian present. After creating an account and watching the orientation they can sign up for shifts on their own. The child's parent or guardian will need to sign the volunteer waiver on their behalf.

To get started, follow these steps:

1. Go to the Beyond Hunger Volunteer Portal and create an account:
<https://volunteer.gobeyondhunger.org/>
2. If a parent is already signed up with Beyond Hunger, minors must use an alternate email address.
3. Find a shift that works for you on Beyond Hunger's volunteer portal, fill out the volunteer form, watch the prerecorded orientation, and sign up for a shift.
