

2023 Bulbs for Beyond Hunger

Fall & spring planted bulbs, spring plant starts, seeds & more!

Thank you so much for supporting our annual sale to benefit Beyond Hunger and support their mission to combat food insecurity in our community. Here are further details on the sale for this year.

This year we are operating by direct donation to Beyond Hunger through this link:

<https://fundraise.givesmart.com/vf/BHCommunity/team/BulbsforBeyondHunger>

Donate \$25 or more and receive a 10% coupon code off all existing collections and offerings in the online shop. (No special ordering available)

With your donation of \$75 or more you have these benefits:

Receive 20% off existing collections/offerings for this sale through the website. We will send you the coupon code after your donation is made.

Access to the entire catalog of wholesale options. If your selections fit into the overall sale, we're happy to include them. Or if you'd like a larger lot, we're happy to order for you. Please note: this donation level does not include our personalized planning services. But it's a fabulous bargain and gives you access to premium bulbs at the best pricing around!

Donate \$150 or more and receive wholesale pricing on existing offerings (contact us for a custom invoice) and access to the entire catalog of wholesale options.

If you'd like help, we'll help you plan a collection to suit your taste and color palette, and order what you like (minimums do apply). This is the best bargain and ensures you'll have access to truly special selections! We will design the rest of the sale around your choices, so order early for the most choices!!
