Create a team or individual online fundraiser

You may notice that our online platform has recently changed, but the sign up process remains pretty much the same. You have the ability to create a team, join a team, or fundraise as an individual. The system will take you through the set-up step by step, but here are some instructions on getting started.

If you would like help setting up your page or for questions, please contact [Karen@gobeyondhunger.org](mailto:Karen@gobeyondhunger.org)

## HOW TO CREATE FUNDRAISING PAGES:

1. Go directly to our [campaign page](#) and select *Join a Team*

2. You'll be directed to this page to become a fundraiser. Fill out your first & last name, email, and then click submit

3. You will now be prompted to create or join a team. If you are creating a team select that button. If you are fundraising only as an individual, go straight to personalize my page.

4. Select *Create a Team* for new groups OR use the search bar to find an existing one and select *Join*.

5. After you have created or selected a team, you'll be prompted to personalize your page.

Starting on April 1st until April 30th, we will be collecting donations for Beyond Hunger's CAN DO Community Challenge. This Challenge is designed to heighten awareness about local food insecurity and encourages schools, organizations, and individuals to become more involved.
